Dear Parent/Carer

Announcement – Year 13 Covid-19 Update

Thank you for your on-going support of North Oxfordshire Academy.

I would like to inform you that a student in Year 13 has tested positive for coronavirus (Covid-19).

This student had already been self-isolating for over 48 hours before showing symptoms and, following DfE/government guidance, this means that no other students in their 'bubble' are at risk.

If at any time your child does show signs of symptoms, then they must self-isolate and be tested.

I would like to take this opportunity to reassure you that we are doing everything within our power to keep our school community safe during this time and ask that you continue to follow the most up to date government guidance to keep you and your family safe.

I am aware that this is an uncertain time for parents and I send my very best wishes to you and your families. If you would like any more information that we are able to give, please contact us.

Yours sincerely

Alison Merrills
Principal
