William.allen@northoxfordshire-academy.org

Jeanette Edwards; Teacher of Hospitality/ Technician

Jeanette.edwards@northoxfordshire-academy.org

Our Aims

The department aim is to equip students with the basic cookery skills needed, through both practical and theory lessons whereby the students will be learning about a range of food products.

Department Information

The Department of Catering and Hospitality consists of two members of staff and is situated on the ground floor, lessons are taught in two specialist classrooms.

Please add the following, these will form hyperlinks on the website for parents to access the information in relation to the department information

Key stage 3 Syllabus

Key stage 4 Syllabus

Key stage 5 Syllabus

Catering and Hospitality Key Stage 3 Syllabus

Key Stage 3 – Food and Hospitality

At North Oxfordshire Academy as part of their work with food, pupils will be taught how to cook and apply the principles of nutrition and healthy eating. Instilling a love of cooking in pupils will also open a door to one of the great expressions of human creativity. Learning how to cook is a crucial life skill that enables pupils to feed themselves and others affordably and well, now and in later life.

Pupils will be taught to:

- Understand and apply the principles of nutrition and health
- Cook a repertoire of predominantly savoury dishes so that they are able to feed themselves and others a healthy and varied diet
- Become competent in a range of cooking techniques [for example, selecting and preparing ingredients; using utensils and electrical equipment; applying heat in different ways; using awareness of taste, texture and smell to decide how to season dishes and combine ingredients; adapting and using their own recipes]
- Understand the source, seasonality and characteristics of a broad range of ingredients.

Key Stage 3 Programme of Study (Timeline)

Year 7 Programme of Study	
1.	<p>Health, safety and hygiene To know about health, safety and hygiene. To understand the consequences of poor food safety and hygiene. To demonstrate food safety and hygiene practices.</p>
