

Monday 29th October 2018

Dear Parent / Guardian,

Term 2 In-Class Assessments

Key Stage Three students will be sitting their term 2 assessments in all subjects starting week beginning 5th November 2018. All assessments will be conducted under controlled conditions in classrooms. These assessments will assess your child's progress from the start of this academic year.

We strongly believe that good preparation is the key to success in assessments. To support this, every subject has uploaded revision tasks onto Go For Schools. Paper copies will also be available in their Knowledge Organisers. Daily reading and Hegarty Maths practice should continue as normal for Key Stage 3 students.

This year we will be reporting student assessment results as an age-related grade. The age-related grade equates to what we would expect the student to achieve in their Year 11 examinations. Assessment results will inform us if we need to provide any additional help to your child i.e. booster sessions, change in class sets and interventions.

We wish your child every success in their forthcoming assessments. If you have any further questions regarding this matter, please contact me via the email address shown below.

Yours sincerely,

Mr. David Murphy

Assistant Principal
