

Change to KS3 Home Learning Setting:

KS3 Home learning will always be set on a Monday. **The deadline on G4S will be the following Monday for core and 2 weeks after that for non-core.**

Although students will appear to have approximately 14 pieces of HL only core subjects (English, Maths, Science, Geography, History and French or Spanish will be due weekly.

Teachers then have the whole week following a deadline to test/collect home learning no sooner than seven days after the task has been set.

Example:

Home learning set via G4S Monday Week 1.

Core teacher sees group and hands out worksheet and explains home learning on Wednesday Week 1.

Deadline on G4S IS Monday week 2 BUT HL is tested no earlier than Wed Week 2.

Thanks for your support.
