Dear Parent/Carer

We are very much looking forward to welcoming your child back to school in September.

We share with you our pastoral focus for the new academic year as we return to school after the Summer break. As we continue to drive our culture of high expectations, please talk these points through with your child to reinforce our conversations in school on their return.

Attendance and Punctuality™

It is incredibly important that your child is in school on time every day so that they receive quality instruction from their teachers.

Attitude to Learning

It is vital that students are ready to learn when they arrive at their lessons. They must get themselves organised so that they bring with them all the correct equipment and books for the day ahead. The equipment your child requires for his/her lessons is listed [here](#). We ask that parents make sure their child is properly prepared for their lessons for the return to school.

Positive Behaviour for Learning

Positive behaviour expectations are a key focus for us at NOA. Disruption free learning is key to ensure that all students can strive for the very best outcomes. Disruption will not be tolerated at the academy. It is key that students return to school ready to work hard in a disruption free environment.

We ask parents to remind their child about their conduct on the way to and from school too. As an ambassador for NOA, we expect your child's behaviour to reflect our high expectations.

School Uniform

Students are expected back at school in full uniform every day. We remind parents of our uniform expectations [here](#) and these are also provided in detail below so that our expectations are clear.

Please make sure your child arrives at school in correct uniform.

It is important for you to note that hoodies are NOT permitted to be worn at all in school or on school grounds either as outdoor coats or worn under blazers in place of a jumper. Please ensure that your child has a water-proof coat that can be worn over their blazer.

Also, black trainers are NOT permitted as school shoes.

We also ask you to support us by ensuring that your child is dressed appropriately for the cooler weather. We strongly encourage your child to wear layers of clothing such as a plain white vest/t-shirt

under their school shirt, jumper and blazer and that they have a warm, waterproof coat for their journey to and from school.

When we return to school in September, staff will be at the gates each day to welcome students. They have been asked to challenge any students who are not in correct uniform and/or do not have the correct equipment. We are sure that we can count on your support in making sure your child returns to school ready to learn.

The welfare of our students is incredibly important to us. Therefore, if you would like to bring anything to our attention, please contact your child's tutor or Pastoral Leader as the first port of call.

Thank you for your support and we look forward to welcoming your child back to school on the following days:
