

KS3 Learning from Home

Daily Planner

Top Tips

- Try to discipline yourselves to work at the same time everyday.
- If you are sharing devices work out as a family who will use it when to avoid arguments.
- Make sure you give time to all subjects equally.
- Show resilience with tasks and if you get stuck email your teachers, we are here to help.
- Email completed work as an attachment to your teacher. They will mark.
- New work will be uploaded to Teams every Friday.
- If you have email problems email the IT team

Using IT Appropriately

I agree to: use appropriate language when participating in school-provided online activities.

I understand that: the school has a log of all the messages I write and can access these at any point.

Should I not follow these guidelines, I may be removed from online activities by the teacher.

Some Educational Websites to Explore

BBC Learning

<http://www.bbc.co.uk/learning/course/search/>

Information on lots of subjects.

Blockly

<https://blockly.games>

Learn computer programming skills - fun and free.

Scratch

<https://scratch.mit.edu/explore/projects/games/>

Creative computer programming

Ted Ed

<https://ed.ted.com>

All sorts of engaging educational videos

<https://www.nasa.gov/stem-at-home-for-students-k-4.html>

Stem activities for families

<https://www.themathsfactor.com/>

National Geographic Kids

<https://www.natgeokids.com/uk/>

Activities and quizzes

Mystery Science

<https://mysteryscience.com>

Free science lessons

Crest Awards

<https://www.crestawards.org>

Science awards you can complete from home.

Tinkercad
