

10 November 2020

Dear Parent/Carer

Year 11 Confirmed Covid-19 Case

Thank you for your on-going support of North Oxfordshire Academy.

I would like to inform you that a student in Year 11 has tested positive for coronavirus (Covid-19).

Following DfE/government guidance, all students who were in close contact with the individual who has tested positive have been contacted and informed that they must stay at home for 14 days.

If at any time your child does show signs of symptoms, then they must self-isolate and be tested.

I would like to take this opportunity to reassure you that we are doing everything we can to keep our school community safe during this time and ask that you continue to follow the most up to date government guidance to keep you and your family safe, including making sure your child brings a mask to school each day to wear in communal areas.

I am aware that this is an uncertain time for parents and I send my very best wishes to you and your families.

Yours sincerely

Alison Merrills
Principal
