

16 December 2020

Dear Parent/Carer

We have been advised by Public Health England that there has been a small number of confirmed cases of COVID-19 within the school.

We know that you may find this concerning but we are continuing to monitor the situation and are working closely with Public Health England. This letter is to inform you of the current situation and provide advice on how to support your child. Please be reassured that for most people, coronavirus (COVID-19) will be a mild illness.

The small number of children who have been in close contact with the individuals who have tested positive for coronavirus (COVID-19) have received a letter informing them that their child must stay at home for 10 days.

We will be open on Thursday 17 December 2020 for students in Years 10, 11, 12 and 13 only. Students in Years 7, 8 and 9 will be able to access their work from home on Teams.

What to do if your child develops symptoms of COVID 19

If your child develops symptoms of COVID-19, they must not come to school and should remain at home for at least **10 days** from the date when their symptoms appeared. Anyone with symptoms will be eligible for testing and this can be arranged via <https://www.nhs.uk/ask-for-a-coronavirus-test> or by calling 119.

All other household members who remain well, must stay at home and not leave the house for 10 days. This includes anyone in your 'Support Bubble'.

Symptoms

The most common symptoms of coronavirus (COVID-19) are recent onset of:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)
