

Yr 11 GCSE Combined Science

Dear Parent / Carer

We are writing to highlight the revision opportunities we can offer your child, through the Science department, at North Oxfordshire Academy. As we enter the Spring term, it is imperative that your child is working independently in their own time, as well as showing excellent engagement for learning in lesson.

To support that, we have listed below our recommended revision resources, and the appropriate links for purchasing them (copies of the following are available in our school library):

AQA GCSE 9-1 Combined Science Trilogy Revision Guide (Collins) <https://www.amazon.co.uk/Combined-Science-Trilogy-Revision-Collins/dp/0008160791>

CGP 9-1 GCSE Science Revision Question Cards <https://www.cgpbooks.co.uk/secondary-books/gcse/9-1-gcse-science-revision-question-cards>

And here are some websites we have historically found helpful: <https://www.revisechemistry.co.uk/GCSE/AQA> &

<https://www.gcsesciencerevision.com/home>

There will also be lesson time in the coming weeks dedicated to developing revision techniques with your child, so that revision can be effective and purposeful.

In addition to this, we have departmental revision catch up sessions every **Tuesday** after school, until 4:30 pm (location: D13). The sessions will run on a cycle of Life and Physical Sciences, with specialist teachers in attendance. Please see below for the timetable for the coming term:

Physical Science	22nd January	Ms West	Ms Palmer
Life Science	29th January	Miss Yaxley	Ms Grewal
Physical Science	5th February	Mr Downes	Ms West
Life Science	12th February	Miss Willett	Mr Taylor
HALF TERM			
Life Science	26th February	Mr Taylor	Miss Yaxley
Physical Science	5th March	Ms Palmer	Mr Downes
Life Science	12th March	Ms Grewal	Mr Taylor
Physical Science	19th March	Ms West	Ms Palmer
Life Science	26th March	Miss Yaxley	Miss Willett

Many thanks in advance for your support with reaffirming the importance of revision with your child.

If you have any further questions, please do get in touch.

Yours sincerely,

Ms Emily Willett & Ms Vicki Yaxley

Acting Heads of Science
