Dear Parent/Carer

**re: Year 12 Covid-19 Confirmed Case**

Thank you for your on-going support of North Oxfordshire Academy.

I would like to inform you that a student in Year 12 has tested positive for coronavirus (Covid-19).

This student had already been self-isolating for over 48 hours before showing symptoms and, following DfE/government guidance, this means that no other students in their 'bubble' are at risk.

If at any time your child does show signs of symptoms, then they must self-isolate and be tested.

Once again, I would like to take this opportunity to reassure you that we are doing everything within our power to keep our school community safe during this time and ask that you continue to follow the most up to date government guidance to keep you and your family safe.

I am aware that this is an uncertain time for parents and I send my very best wishes to you and your families.

Yours sincerely

**Alison Merrills**
