

# NOA

## Summer Project

# Create a SCRAPBOOK to record and celebrate your summer holiday.

This will be handed in on your first day at NOA and will be judged by Mrs Billins!

You can buy a scrapbook from any stationer but you can get great value ones from **Tiger**, **The Works** or **Amazon.co.uk**.

Your finished scrapbook should include:

- Photographs, ticket stubs, flyers etc. from places you have visited with explanations of what they are and what they show about your summer.
- A book review. **Challenge yourself by using the template to help you write a second review of a play, attraction (e.g. Madame Tussaud's or Blenheim Palace) or restaurant.**
- A story about your favourite memory.
- A sketch/ painting of somewhere you visited or someone important to your summer. If you aren't very artistic, find a drawing or a painting that you like and write a paragraph telling us what you like about it.

Pick 3 of these places to visit:

Local	Further afield	London and beyond
Upton House	Motor Museum - Gaydon	Any famous Landmark
Banbury Museum	Cotswold Farm Park	Any famous palace or castle
Broughton Castle	Cotswold Wildlife Centre	Museum
Sulgrave Manor	Shakespeare's House Stratford-Upon-Avon	Art Gallery
National Herb Centre	Warwick Castle	Park/Woodland
	Pump Rooms – Leamington Spa	
	Ashmolean Museum - Oxford	
	Bourton-on- the- water Any attraction	

Collect flyers, ticket stubs, postcards, leaflets, train tickets and add them to your Scrapbook.
