Attendance Matters at North Oxfordshire Academy

Why is 97%+ attendance so important?

Regular attendance at school means that you can make the most of your education and improve your chances in adult life.

School can also help you develop social skills such as making and developing friendships. A regular and punctual attendance pattern will help you when you enter the world of work.

The link between attendance and how well you do in school is clear. The more a pupil is in school the more they increase their opportunity to fulfil their potential.

What to do if you will be absent from school

Parents should contact the school as soon as possible if a child is going to be absent or late for any reason e.g. doctor, dentist and provide an appointment card. The school has a dedicated phone line for reporting absence.

The NOA absence line is:

01295 234214

We understand that some appointments are unavoidable i.e. with hospital specialists. However, appointments where there is flexibility such as dental appointments or eye tests should not be scheduled during the school day.

Punctuality

Arriving to school on time matters too. Being frequently late for school adds up to lost learning:

- Arriving 5 minutes late every day adds up to over 3 days lost each year.
- Arriving 15 minutes late every day is the same as being absent for 2 weeks a year.
- Arriving 30 minutes late every day is the same as being absent for 19 days a year.

Some Strategies to Improve Punctuality and Attendance

- Bedtime routines – packing school bag ready for the next day, getting to bed earlier, setting a time for a television and other devices to be turned off.
- Morning routines – setting the alarm earlier, no screen time until ready for school (and maybe not even then), having breakfast before leaving home, meeting a reliable friend to walk to school with.
- Coming to school for breakfast club (starting at 7:45 am)

Clubs and after school Enrichment

Enrichment is a very important part of the North Oxfordshire Academy experience, ensuring students have the opportunity to develop new skills, talents and character outside their formal learning environment. We offer a wealth of clubs including music, drama, sports, coding and debating.

At North Oxfordshire Academy we offer leadership opportunities for every student, many of which come from the wide range of clubs on offer. In addition to this every Tutor Group has a Form Captain and Sports Captain.

Regular attendance to clubs and activities is necessary for student development both academically as well as emotionally and socially. If you have chosen to attend you should attend regularly and if you are unable to attend, please notify the staff member in charge so they are aware.

Students will be rewarded with Merits for attendance to clubs.

The calendar is available on the Academy website.

From Year 9 students are eligible to take part in the Duke of Edinburgh Award Scheme, which is a highly esteemed and rigorous programme designed to challenge your physical fitness, leadership, teamwork skills, personal development and your community involvement.
