A Relationships & Families

Human Sexuality

A heterosexual is… *A person who is sexually attracted to people of the opposite sex.*

A homosexual is…. *A person who is sexually attracted to people of the same sex.*

Do not lie with a man as with a woman; that is detestable. **Leviticus 18:22**

This shows that…
Homosexuality is a sinful action , forbidden in the eyes of God

Must you unlike [other] people, lust after males and abandon the wives God has created for you? You are exceeding all bounds. ***Qur'an 26:165-166***

This shows that…
Homosexuality is a sinful act. A man should marry a woman as God intended.

Sexual Relationships before Marriage

Abstinence is… *The decision not to have sex (or other sexual activities) before marriage.*

Celibacy is… *The decision never to engage in sexual activity. This is a vow made by members of the clergy in the Catholic Church.*

Cohabitation is… *A couple living together and having a sexual relationship before marriage.*

Every sexual act must be within the framework of marriage. **Pope Pius XI in 1930**

This shows that…
Sex should only take place within a marriage. Sex before or outside marriage is wrong.

Flee from sexual immorality… whoever sins sexually sins against their own body. Do you not know that your bodies are temples of the Holy Spirit who is in you… You are not your own **1 Corinthians 6:18**

This shows that…
People should not engage in sinful sexual acts such as fornication, homosexuality, adultery etc. The body should be kept pure as it belongs to God.

Sexual Relationships outside Marriage

Adultery is… *Sexual intercourse between a married person and someone who they are not married to, cheating, an affair.*

Fornication is…. *Sexual intercourse between people who are not married to each other.*

Promiscuity is… *Engaging in casual sexual activity with multiple different partners.*

You shall not commit adultery. ***Exodus 20:14***

This shows that…
Sex with a person who is married to someone else is wrong – breaking God's law.

And do not go anywhere near adultery; it is an outrage, an evil path. ***Qur'an 17:32***

This shows that…
No one should have an affair as it is offensive to the married person's spouse and to God. It is an evil act which goes against God.

Contraception and Family Planning

There are many reasons people use contraception. Some of these are…

- *not ready to have children,*
- *don't want children*
- *risk of STIs*
- *family planning, i.e. controlling when and how many children they have*

Natural contraception: *Calendar rhythm method, basal body temperature method, Ovulations testing kits, withdrawal, abstinence.*

Artificial contraception: *Condoms, the pill, contraceptive implant, contraceptive injection, IUD (the coil), sterilisation*

The use of this type of contraception ids banned by the Catholic church. They only allow natural birth control

Every sexual act should have the possibility of creating life. **Humanae Vitae – Pope Paul VI 1968**

This shows that…
Contraception should not be used. Sex is solely for the purpose of reproduction.

TOP TIP: Christian attitudes to contraception vary. Many churches now accept the use of contraception between married couples as a method of family planning

Marriage

There are many reasons why people marry. Some of these are…

- *Love*
- *Companionship*
- *Money (financial stability)*
- *Family/ societal expectations*
- *Religious duty*
- *To have sex*
- *To start a family*

A man leaves his father and mother and is united to his wife, and they will become one flesh **Genesis 2:24**

This shows that…
Marriage should take place between a man and a woman – this is God's plan for humanity.

There is no institution in Islam more beloved and dearer to God than marriage ***Hadith***

This shows that…
Marriage is part of Allah's plan for humanity. When a person marries they have fulfilled God's plan for their life.

Do not kill your children out of fear of poverty. We shall provide for them and you. Killing them is a great sin. ***Qur'an 17:31***

TOP TIP: Many religious believers see one of the main purpose of marriage as having and raising children in a secure and stable environment.

Be fruitful and increase in number. ***Genesis 1:28***

This shows that…
Having children is an essential part of God's plan for humanity.

Marriage Vows (Church of England):
I (name) take you (name) to be my husband/wife to have and to hold from this day forward; for better, for worse; for richer, for poorer; in sickness and in health; to love and to cherish; till death do us part; according to God's holy law. In the presence of God I make this vow.

Divorce and remarriage

A divorce is… *The legal ending of a marriage- allowed after one year if the marriage cannot be saved.*

Remarriage is… *When a person marries again while their former husband or wife is still alive.*

Anyone who divorces his wife and marries another woman commits adultery against her ***Luke 16:18***

This shows that…
Remarriage is forbidden. A person who marries another while their former partner is still alive has committed adultery.

Roman Catholics do not recognise divorce. A marriage can only end when one partner dies or if there are grounds for an **annulment.** This means…
The marriage was never legally valid.

Reasons to grant an annulment include…

- *Couple are related*
- *A person was underage*
- *Consent was not given*
- *Couple did not have sex*
- *A person was already married*

The most detestable of all lawful things before Allah is divorce. ***Hadith***

The Nature and Purpose of Families

A nuclear family is… *Mum, Dad and Child(ren). It is considered the ideal family unit by religious believers.*

An extended family is… *Nuclear family plus other relatives, i.e. grandparents living within the same household. This is traditional in Muslim culture.*

A step-family is… *A family formed by the remarriage of a divorced or widowed person and that includes a child(ren)*

A single-parent family is… *Either a mum or dad with child(ren).*

Polygamy is practiced in some Muslim countries, however it is illegal in the UK. Polygamy is…. *where a man has several wives, and often having children with each.*

Anyone who does not provide for their relatives, and especially their own household, has denied their faith and is worse than an unbeliever. ***1 Timothy 5:8***

This shows that…
People have a religious duty to provide for their families.

Children obey your parents in everything for this pleases the Lord . ***Colossians 3:20***

Traditional female roles: *Housekeeping, i.e. cooking, cleaning, taking care of the family, focused on children*

Traditional male roles: *Head of house, protector, main wage earner, responsible for discipline*

Wives submit to your husband as to the Lord. ***Ephesians 5:22***

This shows that…
Women are the weaker sex and should adopt a submissive role within the marriage

Paradise is under the feet of the mothers ***Hadith***

Gender Equality

Examples of gender discrimination include… *gender stereotypes, gender pay gap, honour killing, female infanticide, female genital mutilation, over sexualisation of women*

There is neither Jew nor Gentile, male nor female for all are one in Christ Jesus . ***Galations 3:28***

B Religion & Life

The Creation Story – Genesis 1:

1. *God said 'let there be light' and separated light from darkness*
2. *God separated the waters above from the waters below – skies and seas*
3. *God created dry land and added trees, plants and flowers.*
4. *God placed the sun, moon and stars.*
5. *God created sea creatures (fish) and birds.*
6. *God created land animals and finally people (in His image)*
7. *God rested; and made this day a holy day.*

Creation

Literalists believe…

God literally created the world in 6 days. Reject scientific explanations.

Because… *The Bible is the word of God and this is what Genesis teaches.*

Non-literalists believe…

The Bible is a metaphor to tell us about our relationship with God. God created the Big Bang, science explains everything else.

Because… *The Bible is just a story.*

In the beginning, God created the Heavens and the earth. **Genesis 1:1**

This shows…

God is responsible for creation. Everything I the universe was designed and created by God.

Your Lord is God, who creates the heavens and the earth in six days, then established himself on the throne, overseeing the running of the entire universe. ***Qur'an 7:54***

This shows…

Allah created the world and rules over it. He is the creator and sustainer of the Universe.

The Big Bang Theory: *Scientific approach to answering the question of how the world began. The theory states that around 14 billion years ago, all matter and energy in the universe was contained in a very tiny hot point that had the potential to become something. The point expanded and eventually stars, galaxies and planets were formed.*

Evolution: *A theory developed by Charles Darwin on the way that living things have developed and changed over time. all living creatures that exist today, including human beings, have evolved over a period of perhaps millions of years, from more primitive life forms to how they are today by a process of natural selection.*

TOP TIP: Big Bang and Evolution are theories – a set of ideas intended to explain something. They have not been proven as fact.

The Value of the World

Stewardship is… God given duty and responsibility to look after the world.

Dominion is… the God given right to rule over nature and decide what happens to the world.

Rule over the fish of the sea and the birds of the sky and over every living creature that moves on the ground. **Genesis 1:26**

This shows…

God gave humans dominion over nature. They have the right to decide what happens to all the species on earth.

Environmental Issues:

- *Deforestation*
- *Pollution*
- *Global warming*
- *Climate change*
- *Urbanisation/ Over population*
- *Land fill sites*
- *Increased carbon footprint*

Responses to Environmental Issues:

- *Planting trees*
- *Conservation efforts*
- *Sustainable energy sources*
- *Walk or share lifts*
- *Only buying what you need*
- *Recycling*
- *Raising awareness*

It is to God that everything in the heavens and earth belongs. God is fully aware of all things. ***Qur'an 4:126***

This shows…

Everything in the heavens and earth belongs to Allah. God watches over the world and has control over all things.

The Animal Welfare Act 2006:

Laws relating to animals and their treatment.

- *It I a criminal offence to neglect or ill-treat an animal.*
- *It is illegal to stage the fighting of animals.*
- *It is illegal to use animals in the research and development of cosmetics.*

For Animal Testing:

- Dominion
- Animals are inferior to humans
- Ensures products are safe for humans
- Medical advancements
- Millions of animals are killed for food.

Against Animal Testing:

- Stewardship
- All life is sacred
- Results aren't guaranteed
- Pain and suffering of animals
- Animals cant give consent
- Alternatives

Whoever kills a sparrow or anything bigger than that without a just cause, Allah will hold him accountable on the Day of Judgment ***Hadith***

This shows…

Anyone who harms or kills an animal .without good reason will have to answer for their sins of the Day of Judgement.

The use of animals by humans:

- *Food*
- *Companionship, i.e. pets*
- *Assistance animals*
- *Sport i.e. horse racing*
- *Work i.e. carrying good*
- *Fashion i.e. leather goods*
- *Entertainment i.e. zoos, circuses*

The righteous care for the needs of their animals. ***Proverbs 12:10***

Value of Life

Sanctity of life… *the belief that all life is special or sacred as it is created by God.*

Quality of life… a description of how good someone's life is, including how they feel.

So God created Man in His own image, in the image of God He created them, male and female. ***Genesis 1:27***

Abortion

Abortion is … the deliberate termination of a pregnancy before full term.

For Abortion:

- Too young to have a child
- Child is unwanted
- Life has not begun
- Cannot survive outside the womb
- Rights of mother more important
- Freedom of choice

Against Abortion:

- Those who have sex must face the consequences
- Sanctity of life
- Playing God
- A potential life is still a life.
- Seen as murder
- Rights of child

Pro-Life: *A foetus has the right to life from the moment it is created.*

Pro-Choice: Women have the right to choose what happens with their bodies

Before I formed you in the womb I knew you. ***Jeremiah 1:5***

This shows…

All people are created by God. Even before we were born, God had planned out our lives.

Abortion is legal in the UK up to 24 weeks in the UK, (12 weeks in Northern Ireland), if two registered doctors agree the mother or existing children's health is at risk and/or the foetus will be born disabled

Euthanasia

*Euthanasia is … t*he deliberate killing of a person in order to relieve suffering when the person is suffering from a long term and incurable illness

For Euthanasia:

- Most loving act
- Relieves suffering
- Freedom of choice
- Die with dignity
- Expensive to keep people alive
- Allowed for animals

Against Euthanasia:

- Sanctity of Life
- Against God
- Suffering is a natural part of life
- Illegal in UK
- Seen as murder
- Hospice care

No soul may die except by Allah's permission at a predestined time ***Qur'an 3:415***

This shows…

It is wrong for humans to take a life and interfere with God's plan. Only God can take a life when a d He will do at the correct time.

Euthanasia is illegal in the UK carrying a maximum penalty of life imprisonment. Although illegal to actively end a person's life, many doctors still assist their parents to die by withholding treatment when death is near.

This teaches that…

God is loving and sent Jesus to earth so that we would not perish as a result of sin. Anyone who follows the teachings of Jesus will be saved and receive eternal life in Heaven

For God so loved the world that he gave his one and only Son, that whoever believes in Him shall not perish but have eternal life. ***John 3:16***

Your body is a temple of the Holy Spirit. **1 Corinthians 6:19**

Do not kill ***Exodus 20:13***

Death and the afterlife

Christians believe in resurrection. After death, the body awaits judgement where each person will be judged for their beliefs and actions. If they are good ,they will be rewarded in Heaven. If they are bad, they will be punished in Hell.

Muslims also believe in resurrection. At death, the body waits in the grave (barzakh) and sees the events of its life. On judgement day, people are sorted according to their actions. The wicked are cast into hell (Jahannam), and the good go to Paradise (Jannah).

D Peace & Conflict

Peace and Conflict
Peace is… An absence of war/conflict which leads to happiness and harmony.
Conflict is…. A serious disagreement or argument.

Blessed are the peacemakers. **Matthew 5:9**

This shows that…
Those who work to create peace will find favour with God.

Incline towards peace ***Qur'an 8:61***

Pacifism
Absolute Pacifism is… The belief that it is absolutely never acceptable to take part in any form of war or violence, even in self-defence or to protect others from harm.
Conditional Pacifism is… The belief war and violence are wrong, but there may be certain extreme conditions when violence is the lesser of two evils and therefore can be used.

Some religious believers have refused to participate in war on the grounds of their conscience or beliefs. They are called: conscientious objectors.

Love your enemies. **Matthew 6:43**

This shows that…
Christians should set aside any wrongs they feel towards someone, and treat everyone with love.

Violent Protest:
Threatening behaviour
Terrorist acts
Rioting
Looting
Flag burning
Assassination of a public figure

Non-Violent Protest:
Speeches
Marches
Leaflets or posters
Banners
Petitions
Boycotts
Sit-ins
Protest art

The purpose of terrorism lies not just in the violent act itself. It is in producing terror. It sets out to inflame, to divide, to produce consequences when are then used to justify terror. ***Tony Blair***

Terrorism is…
The unlawful use of violence, usually against innocent civilians, in order to achieve a political or religious goal. An extreme form of violent protest.

TOP TIP: Not everyone who uses violence to promote a cause is considered to be wrong. Freedom fighters like Nelson Mandela have used violent methods to overthrow unjust or oppressive governments.

Reasons for War
There are many reasons countries engage in war. Some of these are…
- *Self-defence*
- *Protecting civilians*
- *Retaliation*
- *National Pride*
- *Gain resources (greed)*
- *Fight injustice*
- *Settle differences*
- *Create peace*

He will judge between the nations are settle disputes… Nation will not take up sword against nation, nor will they train for war . ***Isaiah 2:4***

This shows that…
God will settle disagreements – we should not intervene. Countries should not take up arms against each other (go to war).

Those who have been wronged are permitted to take up arms because they have been wronged. God has the power to help them. **Qur'an 22:38**

This shows that…
Islam is not a pacifist religion. Those who have been wronged have permission to retaliate/go to war

Weapons of Mass Destruction (WMDs)
These are weapons which kill large numbers of people indiscriminately and/or cause damage to the natural environment.
Nuclear deterrence *is…* The ownership of nuclear weapons in order to prevents war as it makes people think twice before attacking out of fear of what might happen .

Arguments for WMDs:
Nuclear deterrence,
Safe in the right hands,
Cannot uninvent them,
Brings a swift end to conflict (i.e. WW2),
Getting rid leaves countries vulnerable

Arguments against WMDs:
Creates bully states,
Uncontrollable,
Unreasonable force,
Kill indiscriminately,
Long-term effects,
Expensive to develop and maintain

Do not kill ***Exodus 20:13***

This shows that…
No one should deliberately end the life of another person. This is against the will of God.

Just War
Internationally accepted criteria for fairness in war, when all other solutions have failed developed by St. Aquinas.
His rules are:
- *The war must be for a just cause*
- *The intention must be good*
- *War must be a last resort*
- *Reasonable chance of success*
- *No unnecessary force*
- *War must be declared by a lawful authority*

Know that the evil of war is swift and its taste bitter ***Hadith***

Jihad is an Arabic term which means to 'struggle'.
Lesser Jihad is… *The struggle within the religion of Islam to build a good Islamic society and protect the faith. This can allow for the use of force to defend Islam (Holy War).*

TOP TIP: The media typically refers to acts of terrorism as Jihad. This is a harmful misconception.

Rules for Lesser Jihad:
- *Only act in retaliation*
- *Must be a last resort*
- *Fought to bring good*
- *No harming innocents*
- *No damaging property*
- *Treat POWs with respect*
- *Peace must be restored*
- *Must be declared by a religious leader*

Holy War
A holy war is… A war fought for a religious cause or for God. Holy wars are usually controlled by a religious leader.

Then the Lord said to Joshua, 'Do not be afraid, do not be discouraged. Take the whole army with you and go up and attack Ai ***Joshua 8:1***

This shows that…
God is commanding Joshua to go to war in His name. he is not to be afraid as God is by his side.

The Crusades
These were a series of holy wars between 1096-1291. The key Christian objective was to reclaim the Holy Land (Jerusalem) which was part of the Muslim empire.
In 1095, Pope Urban II declared an armed pilgrimage to Jerusalem and many volunteered to help. Jerusalem was first reclaimed in 1099 but the war continued as Christians went back on their promise to protect innocent life by slaughtering hundreds of men women and children.

Consequences of War
War can have a devastating impact on countries and individuals. Such as…
- *Loss of life*
- *injuries*
- *Destruction of property*
- *Damage to the economy*
- *Destruction of crops*
- *Water pollution (leading to disease)*
- *Homelessness*
- *PTSD*

Treat others as you wish to be treated. ***Luke 66:31***

This shows that…
Christians are called to treat everyone with love and respect. This is the way we would all like to be treated.

Helping Victims of War
Many religious charities such as Christian Aid, the Red Cross, Islamic Aid and the Red Crescent movement work to help those affected by war. Help can include:
- *Praying for victims*
- *Charitable donations*
- *Providing food/clothing*
- *Medical care*
- *Counselling and support*
- *Rebuilding homes*
- *Rehoming orphans*
- *Providing emergency shelter*

Whoever saved a single life, it would be as if they saved the life off all mankind. ***Qur'an 5:32***

This shows that…
Allah heaps rewards on those who save the life of another. Every life is sacred to Allah.

Do not let evil defeat you, instead overcome evil with good. ***Romans 12:21***

Forgiveness and Reconciliation
*Forgiveness is…*A decision to let go of resentment and thoughts of revenge, accepting an apology.
Reconciliation is… The restoring of friendly relations after a conflict or disagreement.

Forgive us our sins as we forgive those who sin against us. ***The Lord's Prayer***

This shows that…
If we want to be forgiven by God, we must also be willing to forgive those whi have wronged us.

Those who pardon and maintain righteousness are rewarded by God. ***Qur'an 42:40***

This shows that…
Those who forgive others do what is right in the eyes of God and will be rewarded for their efforts.

The Parable of the Sheep and the Goats. ***Matthew 25***

This teaches that…
Encourages Christians to give to charity and help others because they will be rewarded with heaven.

E Crime & Punishment

Crime and Punishment

Crime is… An action which breaks the laws. An illegal act.

Punishment is…. A consequence or penalty which is given when someone commits an offence

Let everyone be subject to the governing authorities, for there is no authority except that which God has established. ***Romans 13:1***

This shows that…
We should follow the law as all leaders (good or bad) have been placed there by God (part of His plan). Do not fall into lawlessness.

Causes of crime

There are many theories o explain why people commit crime. These include:

- Upbringing
- Poverty
- Lack of education
- Unemployment

There are many theories on where evil originates. Some of these are…

- Abuse of free will (personal choice)
- Opposite to good
- The devil
- God
- Human weakness
- Selfishness
- Chaos

Do not let evil defeat you, instead overcome evil with good. ***Romans 12:21***

This shows that…
Everyone is capable of evil but we must resist temptation. Evil can be overcome by following Christ's example of being good.

Do not take revenge my friends but leave room for God's wrath ***Romans 12:19***

TOP TIP: most religious people believe that people who commit evil acts are still redeemable. Religions believe in evil actions rather than evil people.

List some examples of:

- *Crime against a person:* murder, manslaughter, rape, assault, wounding with intent, domestic violence, poisoning
- *Crime against property:* Arson, burglary, theft, trespassing, shoplifting, bank fraud, smuggling
- *Crime against the state:* Terrorism, treason, mutiny, selling secrets, lying under oath, espionage.
- *Hate crime:* A crime committed due to prejudice such as racism or sexism. This can include: verbal abuse, cyber bullying, assault, harassment, arson, murder

Suffering as a Result of Crime

Suffering refers to feelings of pain, distress or hardship. This can be either physical or emotional.

How might the following people suffer as a result of crime?

Criminal: will face a punishment for their crimes (retribution), victim may seek revenge, may feel guilt or shame over their actions.

Victim: may experience physical harm or death, loss of possessions, emotional distress, lasting trauma, i.e. PTSD.

Victim's family: emotional distress caused by watching a loved one suffer, possible bereavement, possible financial burdens due to legal proceedings, PTSD

We glory on our sufferings because we know that suffering produces perseverance, character and hope ***Romans 5:3-5***

This shows that…
There is hope to be found in suffering. Going through suffering is character building and makes us stronger.

You are sure to be tested through your possessions and persons; you are sure to hear much that is hurtful… if you are steadfast and mindful of God, that is the best course ***Qur'an 3:186***

This shows that…
This life is a test and we will all endure hard times. However, those that remain faithful and do what is right will be rewarded.

Retribution is… making the criminal pay for what they have done. Payback or revenge.

If there is injury, you are to take la life for a life, an eye for an eye, a tooth for a tooth' ***Exodus 21:23***

This shows that…
Punishment should reflect the crime and be inflicted in a like for like manner – retribution.

Types of Punishment

Community service is … unpaid work in the community as punishment for a crime.

Corporal Punishment is… the use of physical pain as punishment for a crime – illegal in the UK.

Prison is… a building where criminals are held as punishment in the interests of public safety.

Corporal punishment can be used against those that commit crimes – this is the will of Allah. Corporal punishment is still used in some Muslim countries.

God commands justice…and prohibits wrongdoings ***. Qur'an 16:90***

Capital Punishment

Capital Punishment is… the legally authorised killing of a person as punishment for a crime. The death penalty.

Do not take a human life which Allah has made sacred, except by legal right. This is what He commands you to do; so that you may use your reason ***. Qur'an 6:151***

For Capital Punishment:

- 'An eye for an eye'
- Prisons aren't harsh enough
- Justice – closure for family
- Ultimate deterrence
- Keeps society safe
- When someone takes a life, they lose their right to life

Against Capital Punishment:

- Miscarriages of justice
- Too easy
- Inhumane
- All life is sacred
- Abolished in many countries
- Circular – makes us as bad as the criminal

Whoever sheds the blood of a man, by man shall their blood be shed. ***Genesis 9:6***

This shows that…
Anyone who murders another must be punished. This suggests that those who kill another should face capital punishment.

Amnesty International the world's largest human rights organization founded in 1961 completely disagrees with the death penalty, seeing it as cruel, inhumane and degrading.

Forgiveness

*Forgiveness is…*A decision to let go of resentment and thoughts of revenge, accepting an apology.

Lord, how many times shall I forgive my brother who sins against me?... Jesus answered: 'I tell you, not seven times, but seventy- seven times'. ***Matthew 18:21-22***

This shows that…
Forgiveness is not a one time act, but rather is a process of letting go of hurt, anger and bitterness..

Treatment of Criminals

Most Christians believe the law has a responsibility to punish and care for criminals while trying to reform them. Though some Christians want more of an emphasis on justice – 'an eye for an eye'. Criminals should be treated fairly and humanely.

Islam emphasises the justice of Allah and accountability for one's actions. This means that severe crimes should have extreme punishments attached to them. However, the Qur'an also talks of mercy and forgiveness.
