Online events especially for parents & carers interested in finding out more about university in general and the University of Oxford

The Access Team at Trinity College, University of Oxford, are offering two online sessions for parents and carers in July 2024. Please feel free to book tickets to attend one or both of the following sessions:

**Session 1 For Families - a guide to university**  
**Monday the 7 July 6 - 7:15pm with live Q&A until 7:30pm**

This session will be of interest to parents and carers of students in Years 10, 11 and 12 and will be particularly useful for those who did not attend university themselves or who feel they would appreciate updated university information and guidance.

In the session, we will focus on effective ways parents and carers can support their child's progression to higher education. We aim to build confidence and knowledge about what a parent and carer's role is in the process of a university application and to clarify the benefits and costs of going to university. We will also touch on some aspects of the University of Oxford.

There will also be a live Q&A with some current undergraduate students who'll share some of their own experiences and answer any questions parents and carers may like to ask.

**Session 2 For Families - a guide to the University of Oxford and the application process**
